

Thank you for your interest in our upcoming Fujairah special Diving trip. There are many trips planned over the next few months – further information is available on our website: www.diversdownuae.com

It will be a 2 tank dive trip, so get ready for a full day out on the ocean. The price for 2 dives tank & weights, excluding equipment rentals or Nitrox: 375 AED

The minimum required Dive certification is Advanced Open Water diver.

Also, we would recommend that to get the most out of the dive, you use Nitrox. If you are not currently certified as a Nitrox Diver, we would like to give you this opportunity to complete your course. If you book the course at the same time as the trip we are offering you a special price of 475AED, which includes the manual and the certification.

This trip also offers a fantastic opportunity to start your [PADI Wreck Diving Specialty Course](#).

Please return the form below to us, at least 7 days before the trip that you would like to book.

Spaces are limited, so please book soon, to confirm your place. We do require a 50 % deposit to secure your place, which can be paid online through our website.

There will be water and some snack on board. Please feel free to bring something with you to eat between the dives or pre-order your 20% discounted lunch from Bahari at our diving center so the food will be delivered at our location by the time you are back from the dives.
